Recording & Community Sharing Consent

By registering for a SEED SPOT Info Session, you acknowledge and agree to the following recording and community sharing policy.

Recording Notice

SEED SPOT Info, workshops Sessions are recorded for educational and community purposes. By completing your registration, you consent to being recorded — including your audio, video, name, and any content you share — during the session.

How Recordings Are Used

Recordings may be used in the following ways:

- Shared within the SEED SPOT community, including current participants, alumni, mentors, and partners in your YouTube Channel SEED SPOT Connect
- Used in program communications, newsletters, or internal educational resources
- Stored securely and accessed only by authorized SEED SPOT staff and community members

Your Acknowledgment

Registration for this Info or workshop Session serves as your electronic consent to this policy. If you do not agree to being recorded or having the recording shared within the SEED SPOT community, please do not complete your registration. You are welcome to contact us at info@seedspot.org with any questions prior to registering.

Opt-Out & Questions

If you have concerns about this policy or wish to discuss your participation options, please reach out to the SEED SPOT team before the event at connect@seedspot.org. SEED SPOT respects the privacy of all founders and community members and will handle recordings with care and discretion.
